SUPPLEMENTAL RESPONSE

MAIL STOP AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed on April 6, 2007, reconsideration and allowance of the above identified application are requested for the reasons that follow:

Claims 2-37 were pending prior to the present response.

Claims 2-31 are rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over claim 13 of U.S. Patent No. 5,665,210 in view of Inoue (U.S. Patent No. 4,976,839) and in view of Nomoto et al. (U.S. Patent No. 5,225,364).

In response to the above rejection, Applicant hereby submits a Terminal Disclaimer and Statement Under 37 C.F.R. 3.73(b), thus obviating the pending rejection on the ground of nonstatutory obviousness-type double patenting.

In view of the foregoing, it is respectfully requested that the rejection of record be reconsidered and withdrawn by the Examiner, that claims 2-37 be allowed, and that the application be passed to issue.

If a conference would expedite prosecution of the instant application, the Examiner is urged to telephone the undersigned to arrange such a conference.
